

## VISUAL ANALYSIS

Name of Text:

Creator of Text:

**Step 1--I-Spy :** List the visual facts of the text (in other words, what you see or hear without any judgement or value statements):

**Questions:**

**Step 2—Pattern or Repetition:** Look for pattern or repetition in color, line, form, texture, quality, size, scale, objects, ideas, elements, themes, conflicts, metaphors.

**Step 3—Juxtaposition:** Now, look for departure from pattern or contrasts.

**Step 4—Interpretation:** You've analyzed all the "evidence." Now write a quick interpretation using the stems of analysis: "*the artist may be exploring ...*" *the detail of \_\_\_\_\_ suggests ...*" "*The artist's use of \_\_\_\_\_ raises an interesting question/possibility ...*". Back up your analysis with details from the artwork.
