

Video Analysis

Name of Video:

Creator of Video:

Pre-reading response:

Key Ideas/Summary:

Questions I have:

Circle any of the subjects below that the video relates to:

Family

environment

economy

competition

Community

consumerism

education

race/gender

Tradition

survival

work

leisure

Violence

religion

responsibility

health/illness

Now, using some of the subjects you circled write 3 provocative questions the video raises. Try starting your questions with stems like "Is it possible that . . . have we forgotten that . . . is this the real reason for. . . shouldn't we be asking ourselves..." etc
