

## Analyzing Evidence in a Documentary

Look for the evidence from the documentary that connects to your characters' experiences with injustice and analyze it using the chart below.

<b>Type of evidence (photo, expert testimony, eye witness testimony, video, statistics, maps, charts or graphs)</b>	<b>Credibility (Who is the source? Why is the source believable or not?)</b>	<b>How does it connect to your characters experience? What does it reveal? How does it add to your argument?</b>
